

Applied Seals NA, Inc. Expands Sales Efforts

*Growing elastomeric seals manufacturer
hires industry veteran to cover East Coast markets.*

NEWARK, CA, May 21, 2010 — Applied Seals NA, Inc. (ASNA), a leading supplier of elastomeric seals, is proud to announce that Jeffrey Blouse has joined its staff as Senior Account Manager, Eastern Region. Mr. Blouse has more than 15 years of multifaceted, cross-functional sales experience in the semiconductor industry. Having held positions with key industry participants such as Novellus Systems and IBM, Mr. Blouse will be responsible for ASNA’s sales and marketing efforts in the eastern region of the US.

“We are fortunate to attract an individual with the industry experience that Jeff has,” said ASNA President Dalia Vernikovsky. “Jeff will drive our sales efforts in a key market region and play a central role in our aggressive growth strategy.”

“I am excited by this opportunity. This is a dynamic time for the industry and for Applied Seals,” commented Mr. Blouse. “I look forward to being part of a progressive company with such a high-quality product.”

About Applied Seals NA, Inc.

ASNA is an international supplier of high-quality elastomeric sealing products used in the manufacturing of semiconductors, solar cells and pharmaceutical products. Applied Seals’ products are manufactured by GMORS, the largest producer of sealing products in Taiwan, and parent company of both Applied Seals NA, Inc. and Applied Seals Co., Ltd. ASNA’s mission is to extend the reputation, service and support of Applied Seals Co, Ltd and utilize its expertise and application specific focus to enhance the production efficiency of the industries it serves.
